

INFINIDONT

SOLUTIONS

INDIVIDUAL SR

CAD/CAM-fabricated retainer for fixing teeth
after orthodontic treatment

INDIVIDUAL SR

Order Number 001-6690EN

INDICATIONS

Retainer for fixing teeth after orthodontic treatment

ADVANTAGES

- + Design, model and retainer included
- + Delivery directly from intraoral scan
(scan from plaster model possible at extra charge)
- + Alternative to fixation splint or bending wire

NOTES

Currently available in cobalt chrome (CoCr) or titanium grade 5 (please specify when ordering).

The design is carried out by INFINIDENT Solutions. We reserve the right to refuse the order in case of contraindication (e.g. unfavourable space conditions).

The product is delivered as a semi-finished product, unsterilised, on model and including positioning aid.

The published information of the respective material manufacturer shall apply.
